Public invited to vision for community and library’s future

(TOPEKA, KS) Topeka & Shawnee County Public Library and Heartland Visioning invite Shawnee County residents to identify the priorities needed for shaping their community and library. "Great libraries align their goals with the dreams and aspirations of their communities," said Gina Millsap, CEO, Topeka & Shawnee County Public Library. The feedback received from each community engagement workshop will help the library determine goals for the future.

This information will also help Heartland Visioning verify the progress of the five community priorities established from the 2013 community engagements, Dynamic Core, Community Pride and Services, Entertainment, Transportation, and Parks and Recreation.

The public is invited to participate one of the five strategy sessions scheduled throughout the county:

- Thursday, June 11, 6:30-8:00 PM, Countryside United Methodist, 3221 SW Burlingame Rd.
- Tuesday, July 7, 6:30-8:00 PM, Auburn Civic Center, 1098 SW Auburn Rd., Auburn
- Thursday, July 23, 5:00-7:00 PM, Juli’s Coffee and Bistro, 110 SE 8th St.
- Tuesday, July 28, 6:30-8:00 PM, Sacred Heart Church, 312 NE Freeman Ave. 66616
- Monday, August 10, 6:30 – 8:00 PM, Garfield Park Community Center, 1600 NE Quincy St.

Join the community for a collective conversation that will make you Topeka Proud!
